

Entering Pennant results online

1. Go to <http://comps.tennis.com.au> and click on "login".

2. Enter your Login ID "MonashUniversity" and password "895482" and then login.

3. From drop-down lists, select “Competition Participation” as Menu Mode, “CURR” as round, “Enter Match Results” as Task. Also ensure you select the correct grade and section. Then hit “Go”.

4. You will notice “default players” listed in singles playing order. These are the first 4 players of each team. You will probably have to change some of these.

5. Choose the correct players for each team from the drop-down list and enter the scores.

Important: If a player's name doesn't appear on the drop-down list, choose "TBD" for that player and indicate the player's name in the match notes e.g. "TBD at no.3 singles for was".

Tick the incomplete box for any rubber not completed.

Choose the correct result options for each team e.g. "WON", "LOST" or "DRAWN". The system doesn't automatically determine the result from the scores.

When finished, hit "update".
